MEMORANDUM FOR THE RECORD

SUBJECT: DCI/DDCI Meeting with Vice Admiral Poindexter,
9 January 1986

1.

6. The Director raised the polygraph program, and it was agreed that we must revisit the use of the polygraph for leak investigations. The Director related his conversation with Secretary Shultz, who he said was badly misinformed about the polygraph. It was the Director's opinion that Shultz was amenable to selective use of the polygraph.

10. The Director raised the issue on the CIA secrecy agreements and felt that he should not be bound by ISOO's standards. DeGraffenreid said he would not be, that ISOO is just a minimum standard but he felt there could be no exceptions. Poindexter said he would look into it.
